Please explain why you would like to serve (attach a separate sheet if necessary):

I believe that my concerns for the health of the
Morro Bay Estuary, extensive project management
experience, and involvement area activities puts me
in a unique position to provide significant help
in solving the Los Osos sewage problem.

I come with a clean slate without bias as to what
to do. I have read with great interest how this
saga has sadly played out.

I am willing to play any role deemed
appropriate to help. I have read the by-laws
and agree to follow them. Billy Worden
